A screenshot of the Sony Vegas Pro 11.0 registration dialog box. The dialog box is titled "Vegas Pro 11.0" and features the Sony logo at the top. Below the logo, it says "Please register within 30 days to activate Vegas Pro 11.0." and "If you have access to the Internet, registration is quick and easy." Underneath, it asks "I would like to:" and provides three radio button options: "Register online", "Register from another computer" (which is selected and highlighted with a red box), and "Register by mail". A red arrow points from the selected option down to red text that reads "tick the box reg from another pc". Below that, another line of red text says "and put the name you like/mail". To the left of the dialog box is a "DIGITAL INSANITY" watermark and a table of system information.
